THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

A little child of Mr. Jeff. Chandler wandered off yesterday morning, but was finally found on F street, near Eleventh.

The following trustees have been elected by the vestry of the House of Jacob (Hebrew): Solomon Rosenthal, John Beldina and Jacob Aaron.

Rev. Frank H. Burdick, who for some time past has had charge of the Sixth Presbyterian church, South Washington, has resigned. No reasons are given for this action.

Rev. J. M. Cargill, pastor of the Ebenezer A. M. E. church, has been presented with a handsome set of Shakespeare's works by the Golden Rule club of West Washington.

The National Law, Literary, and Mutual Improvement Association now comprises about forty students and graduates of the National Law university, and is in a flourishing condition.

The last of the Biscoff concerts, which have been so popular during the past season, will take place at the Congregational church to-morrow evening. The programme will be an attractive one.

Col. Theodore C. Conde, of Georgia, will lecture at Lincoln hall on Friday evening on "Central Truths and Common Sense Conclusions, Religion, Science, and Ingenuity from the Standpoint of a Man of the World."

The names of Edward N. Dickerson, of New York, for the petitioners, and Marcus S. Hopkins, of this city, for the secretary of the interior, have been added to the counsel in the important mandamus suit to be tried before the supreme court in June to-day.

A handsome monument has just been erected in the lot of Mr. K. H. Willett at Rock Creek cemetery, which has a pedestal with a width of five feet six inches at the base and a granite shaft fifteen feet high. Elegantly carved Doric trimmings adorn the pedestal, and the panels and inscription are highly polished.

The lawn tennis clubs have formed an association of representatives from each club. Mr. John B. Wright, of the Kendall Green club, has been elected president; Mr. Ralph Baldwin, of the Maple club, secretary; and Louis E. Beall, of the Washington club, treasurer. These officers have been constituted a committee to arrange for a tournament which is to be held on the grounds of the Kendall Green club.

ANGOSTURA BITTERS were prepared by Dr. J. G. B. Siebert for his private use. Their reputation is such to-day that they have become generally known as the best appetizing tonic. Beware of counterfeit. Ask your grocer or druggist for the genuine article manufactured by Dr. J. G. B. Siebert & Sons.

Police Court Notes.

Annie Smith and Marie Waldron were sent to the workhouse for thirty days each for vagrancy.

August Douglass was fined \$5 for wasting Potomac water.

Lonsdale was held for the grand jury in default of \$1,000 bonds for stealing a diamond cross from Dr. Okie. An account of the theft and recovery of the property was published in yesterday's REPUBLICAN.

George Hul was charged with embezzling from his late partner, Thomas J. Knede, but as the amount in dispute was only \$1.90, a nolle proes. was entered.

Richard Brown was acquitted of the charge of stealing a horse, buggy, and set of harness from Col. C. M. Alexander.

The case of Galen E. Green, charged with forgery, was called, but postponed on account of the defendant's illness.

Terrible Sufferings.

Dr. E. V. Pierce, Buffalo, N. Y.:—I have a friend who suffered terribly. I purchased a bottle of your "Favorite Prescription," and, as a result of its use, she is perfectly well.

J. B. Bailey, Bardett, N. Y.:—Dr. Pierce's "Golden Medical Discovery" and "Pleasant Purgative Pellets" purify the blood and cure constipation.

The Jockey Club Races.

The South Carolina stable of Louis Dunne-mann, in which are Emigrant, Alma D, and three others, arrived at the race track yesterday afternoon. Mr. Dunne-mann's horses are as good looking as any at the track, and were much admired by the gentlemen who drove out yesterday. The horses of Crigge & Co., of New York, also came in during the afternoon. There are seven in the stable, and the two two-year-olds by Glenlyon are certainly as pretty as a picture. To-day the stables of Charles Littlefield, W. R. Babcock, and William Strong will arrive from Long Branch.

The lord mayor of London was only a porter in a warehouse, but he persevered in the face of all opposition and rose rapidly. It is only persistence and merit that has made Dr. Bull's Cough Syrup the greatest family remedy for coughs and colds now offered to the suffering public.

Washington Light Infantry.

The Washington Light Infantry corps held its regular monthly meeting at the armory last night. Capt. William M. Dalton in the chair and W. C. White, secretary. Laws, was appointed to make arrangements for a mass meeting to discuss and give the views of the colored people of the district on the action of the marshal in so summarily disposing of Mr. Carson's case.

Attempted Suicide.

He was removed to the Freedman's hospital, where Dr. Purvis extracted the ball and pronounced the wound a dangerous one. Voggele is a veteran about 45 years of age, a former inmate of the soldiers' home, and a very intemperate one, whose dissipation probably led to his rash act.

No matter what your ailment is, Brown's Iron Bitters will surely benefit you.

How to Make Money!

In this age of progress the only way to make money is to take advantage of the misfortune of others and buy goods when people are forced to sell. The season is very backward, and many importers have suffered heavy losses on that account, and are willing to sell goods at any price rather than carry them over. The Palais Royal never loses an opportunity of investing in a bargain, and for the coming week we shall be able to offer better bargains in new and pretty goods than ever before. We wish ladies to bear in mind that the goods mentioned below are not old and shop-worn goods, but a fresh, new stock, purchased only last week, and placed on our counters at only a small advance on the cost. We believe in small profits and quick sales, and no lady who calls on us the coming week, and who appreciates a bargain, will go away empty handed.

EMBROIDERIES.

We have added to our stock a large line from a second Auction Sale.

We think the values we offer in them are without precedent in the sale of Hamburgs.

White Goods Department

We have a splendid line of White Dress Fabrics.

In India Linens our famous 15c quality cannot be surpassed. In addition to the fine quality of this number, the splendid bleach and finish of these goods make them superior to any other make.

Another specialty of ours is a 48-inch Pure White Swiss Lawn, in a very fine quality, at 33c per yard. It is cheaper than 36-inch goods at 25c per yard, and launders so beautifully that it is preferred by many

of our customers to India Linen. Please examine.

Dotted and Figured Swisses, in a superior assortment of styles, and at low prices.

Remnants of Irish Linens, in lengths of one to six yards, at 25, 30, 35, 40, 50, and 62½c per yard—nearly one-half the price of piece goods, and very desirable for underwear, aprons, children's waists, &c.

If goods are sold at a loss. We are always anxious to buy when the prices are down.

We made a purchase late Saturday by telegraph of ten pieces

Black Silk Ottoman, fast back, warranted all silk, which cost three weeks ago \$1.25 per yard. We offer them as an extraordinary bargain for the coming week at \$1 per yard.
